

## Position announcement:

We are soliciting application/nomination from IEEE PES members of good standing for the Editor-in-Chief IEEE Transactions on Sustainable Energy. The position will be effective from 1<sup>st</sup> January 2024.

The IEEE Transactions on Sustainable Energy is a journal aimed at disseminating results of research on sustainable energy systems that can be integrated into the power transmission and/or distribution grid. The journal publishes original research on design, implementation, grid-integration and control of sustainable energy technologies and systems. The Transactions also welcomes manuscripts on design, implementation and evaluation of power systems that are affected by sustainable energy systems and devices.

The journal has a typical 15% acceptance rate, about 55 days of median time to first decision and 2021 journal impact factor of 8.31 . Typical time commitment on this role is 40 hours a month.

The deadline for receipt of all materials is 15th June 2023. All materials should be sent to: PES Publication Services, PESEICapp@ieee.org with the transactions title you are applying or being nominated for in subject line of your email

Application/nomination materials must include the following information.

1. Prior service on an IEEE Editorial Board
2. Technical Committee activity
3. Region
4. Profession Sector (i.e. academia, utility, manufacturer, government, vendor, other)
5. Up to five keywords of Expertise
6. Titles of 10-15 IEEE papers authored by nominee most relevant to the IEEE Transactions on Sustainable
7. Names and contact information of three references
8. A resume/CV (max 4 pages)

Sincerely yours

Bikash Pal

PES VP Publications
